Message from New Ambassador

I deem it an honor as well as a pleasure to have been appointed Ambassador of Japan to Canada, our closest neighbor across the Pacific Ocean.

Before coming to Ottawa I spent a few weeks in Tokyo, and I feel that my first pleasant duty as the Japanese representative to Canada should be to express the very warm and friendly feelings of the Japanese public towards the people of Canada. We have never forgotten the understanding and sympathy of the Canadian people on past occasions, and we particularly remember and appreciate the part played by Canada last fall in Japan's acceptance as a member of the United Nations.

I am very happy to note that there are at present no difficult problems existing between Canada and Japan, and also that we very often share the same viewpoint in world affairs.

In the field of trade our future is very bright, too. Every year Japan is buying more and more from Canada. Although our exports are still only half of our imports from Canada and the trade balance is still unfavorable to us, the importance of the Canadian market is generally recognized in my country, and Japanese Government and business circles are looking forward to the sound and steady expansion of our trade to the benefit of both Canada and Japan.

I sincerely hope that, with deeper understanding and closer cooperation, we shall be able to further enhance the most cordial and friendly relationship which exists between our two countries.

Pickersgill Shuns Press Debate With Negro Leader

ST. JOHN'S, Nfld. — Immigration Minister Pickersgill says he doesn't want to get involved in a newspaper controversy with a Toronto Negro leader who criticized him.

Donald Moore, director of the Negro Citizenship Association, in an address Sunday to the group described sections of the Immigration Act as "nefarious and diabolical" and said the "ministers of the department have resorted to all forms of subterfuge to cover up the baseless provision and regulation used for carrying out the act."

The meeting was called to protest statements attributed to Mr. Pickersgill in the April issue of Liberty magazine.

Mr. Pickersgill said Monday in an interview: "I don't think it would serve any useful purpose for me to get into any newspaper controversy with Mr. Moore. I know he's sincere and a good citizen. I hope he doesn't think that some of the statements attributed to me really are my views."

The magazine article quoted Mr. Pickersgill as saying in part during an interview: "I feel immigrants should be given an equal fighting chance to enjoy the advantages of living in Canada. Why open our gates to non-whites when our own Canadian Indians aren't yet accorded a standard of living equivalent to that of other Canadian citizens?"

Mr. Pickersgill had been asked by a magazine writer whether discrimination is exercised against immigrants from the British West Indies.

He was quoted as saying in reply: "In that connection I told an official from there recently "We don't encourage people to come to Canada just to inhabit our slums!"

New Japan Tourist Ass'n Officially Opened At 48 Front Street West

Before a gathering of civic and provincial government officials and press people, the Japan Tourist Association officially opened its first Canadian office last Wednesday at 48 Front Street West. Japan already has established travel offices in New York, San Francisco and Honolulu.

Officially cutting the ribbon in a brief ceremony was Consul Masao Endo, while Alderman K. G. Waters, representing the City of Toronto (for Mayor Phillips who is travelling in Europe) made a congratulatory speech. Saburo Egami, manager of the new office, expressed thanks.

Among the many reasons Japan established an office in Toronto is that the average Canadian travelled a great deal in comparison with other nationals, and Ontario has the largest population. Major airlines, railways and bus-lines make Toronto their terminal. Another reason is that businessmen going to and from Japan visit Toronto at one time or another.

"In Toronto," said Mr. Egami, "we are in the best position to give visiting businessmen the information they require because already established here is the Consulate of Japan, Japan Trade Centre and five Japanese business firms."

Although the office space of the Japan Tourist Association is not very large, the location is on the busy corner at Bay and Front. The office is now ready to assist travel agencies in Toronto and vicinity and to promote tours to Japan from Canada.

Fiancee Provision Extended

Any person living in Canada for two years may apply for fiancees of Japanese origin on the same basis as Canadian citizens . . . . Young children of widowed fiancee also permitted to enter Canada . . .

As previously reported, as of March, 1957, Japanese Canadians were permitted to send for fiancees from Japan without being required to travel to that country.

In reply to a request from the Toronto Ontario JCCA Immigration Committee for more information with regard to this procedure, the Department of Citizenship and Immigration revealed that the provision has since been extended in order that persons who have been landed in Canada for permanent residence and have resided in this country for at least two years may apply for their fiancees of Japanese origin on the same basis as Canadian citizens who might wish to bring forward their Japanese fiancees.

It was also revealed that should the fiancee be a widow with young children under 21, they could also be admitted under a cash bond.

The following, in part, is the letter received from Miss M. C. Hoey, secretary of Minister of Citizenship and Immigration J. W. Pickersgill, explaining the procedure for making application for a fiancee from Japan.

PROCEDURE FOR MAKING APPLICATION FOR FIANCEE

"The applications are submitted at any immigration office on forms entitled 'Application for Admission of Nominated Immigrants' and numbered IMM.55. Normally three copies are required of this form, available to applicants from any Canadian Immigration office.

"In order to guarantee compliance with the conditions of admission, the applicant in each case is required to post a cash bond of $1000 at the time of his application for his fiancee. Should the fiancee be a widow with young children an additional cash bond of $500 is taken for each child under 12 years of age or $1000 for each such child 12 years of age or over. Immigration offices have the necessary bond forms and can assist applicants to complete them.

"Settlement arrangements are subject to approval by the Immigration officer. If such arrangements for the reception of the fiancee are satisfactory the visa officer abroad (Canadian Embassy in Tokyo) is informed accordingly and he may, after documentation of the prospective immigrant, grant visa for Canada.

"Such prospective immigrants are to be persons of good character, in good health and in possession of valid passports. The visa officer advises upon arrangements for their medical reports and x-ray films, the cost of which is to be borne by the migrants. These reports are forwarded to Ottawa by the visa officer. Any fiancee is required to sign a form in which she declares that her sole purpose in proceeding to Canada is to marry the applicant within 30 days of her arrival and that she understands that failure on her part to carry out the arrangements will make her liable to deportation from Canada.

"If persons who come forward under these provisions do not comply with them, the bonds are forfeited and may be used to defray the expenses of deportation from Canada. Our officers are therefore informed that it is important that such applicants are fully informed of these forfeiture provisions and impressed in respect of the necessity to fulfill the conditions of the bond within the 30-day period after arrival of the fiancee."

It was reported that already one such application for a fiancee was made by a Nisei in Edmonton, Alta. Application form IMM. 55 is available at The New Canadian office.

B.C. SALMON FISHERS PREPARE TO STRIKE

VANCOUVER, B.C. — Salmon net fishermen on the B.C. coast are preparing for a strike this month.

Negotiations for new fish prices have broken down because the operators have refused to make an offer, a joint committee of fishermen said today.

The committee represents the United Fishermen and Allied Workers Union, the Native Brotherhood of B.C. and the Fishing Vessel Owners' Association of B.C. Troll fishermen are not involved.

Local and branches of the UFAWU and the brotherhood have been asked to conduct a secret strike ballot, elect strike and policy committees, and work out strike rules before June 14.

The strike deadline is June 22, the day fishermen would start leaving port for the opening of the season.

The fishermen are asking increases in salmon prices of from 30 to 50 per cent over the 1951 rates.

Japan Steel Mission to Tour Canada in July

TOKYO.—An eight-man Japanese Steel Mission headed by Shigeru Kawata will make a 20-day tour of Canada, leaving Haneda Airport on June 19. Japanese steel industrialists attach a great deal of importance to this mission because it has been proposed that a steel mill be erected near Vancouver, B.C., through the Japanese Embassy at Ottawa. The steel market between Canada and Japan is seen significant, with Japan importing about 400,000 tons of iron ore and exporting a considerable shipment of steel pipes to Canada. The erection of a steel mill in Canada would enable the export of pig iron to Japan instead of iron ore.

Only 31 Japanese Admitted from Jan.-March 1957

OTTAWA.—Only 31 Japanese were admitted into Canada out of the 62,460 total immigration during the first quarter of 1957, it was announced by the Department of Citizenship and Immigration. Last year in the first quarter, 26 Japanese immigrated to Canada from Japan. Total immigration in the corresponding months of 1956 was 18,963.

TOKYO.—Harold Steele, the British man who planned to sail into the Christmas Island nuclear bomb test danger zone, has "reluctantly" decided to return home to England. He said ... June 2 he felt the Japanese now have ... organizing a protest ship or fleet.

Using their slugging power to good advantage, the powerful Regent Press nine scored a 17 to 12 decision over Christie Flyers in the first game at Stanley Park. HAMILTON 7 — BUSSEI 3

Hamilton, a new entry in the Nisei League, started off [illegible] right foot by squeezing a close 7-3 decision over the surprising young Buss squad.

Hamilton looked to be a dangerous threat to the rest of the teams, as they utilized speed and hustle to outscore their opponents. As coach Tom Kawamoto explained, Hamilton is still in the process of organizing, and their future outings should find them stronger than ever.

Busseis were hit with misfortune when pitcher Ken Tsujiuchi who had been hurling a four-hitter injured his leg in the sixth. Hamilton managed to take advantage of Bussei miscues to wrap up the ball game, scoring four runs in the last inning. Until then, the score was tied three-all.

Hits were spread fairly evenly amongst the Hamilton players as K. Kawamoto was the only Hamiltonian to garner two hits.

Maw Uyenaka and Ken Tsujiuchi had two hits apiece for Busseis while Jets Oishi contributed a triple.

Dan Okano will handle the catching chores. —S.T.

Leading Concords Down Honest Ed's Nisei 5-2

Concord pitcher Marcel Angers allowed only five hits to Honest Ed's last Tuesday to defeat the Nisei 5-2.

Chick Kitchen, formerly of Mafra's, collected three of Ed's five hits. Relief pitcher Ken Ikeda, formerly of Western Juniors, hurled a very sharp game and looked like a good addition to Manager Ken Kutsukake's pitching staff. Ikeda and Mickey Tess were the only other Honestmen to pry safeties off Angers' offerings.

Russ Cumeyworth pitched the first three and two-thirds innings, with Ikeda relieving for the rest of the game.

投票日

△十一日はいよいよ投票日である。朝九時から夜七時までに投票しなければならない。日系人は二十一才以上の殆んど全部が有權者なのだから、選擧に對する關心も深くあるべきである。本紙も紙面に應じて各政黨の選擧運動の有様を斷片的ながら報じてきた。

△今次の總選擧はとくにエスニック・プレスに對する各黨の注意がいちじるしかったことは全く珍しいことである。それだけ外國語新聞の存在の重要さを認めてきたのである。從來は廣告掲載だけで日系人の票をささえていたものだが、こんどは大きい違いだ。

△ト市の某自由黨候補の如きはわざわざ寫眞師を連れて來社、一緒にポーズしてくれ、と頼みに來たのがあった。この通り少數民族の味方である、という宣傳寫眞にしようというのである。また各黨とも黨主やリーダー格との記者會見、カクテル・パーティーに是非來てくれとやかましくいって來たが、こんなことは今まで少かったものだ。

△こういった催しに出てみると、いつものことながら東洋系人の新聞代表はわれわれだけであるので、日系人は選擧には大きい關心を拂っているのだ、とくどいほどいつも相手方に話すのである。その裏付けという意味ではなく、ともかく「万難を排して」投票することだけはしなくては「參政權」の歴史が泣くことになる。

ト市　明瀬 静枝

私達のグループは豫定のプログラムも済ませていたので本當によかつたと思う。雨中を近くの百貨店に行つてみたが、トロントと比較して少しも安いと思わなかつた。●買物もそこそこに午後はミュジック・ホールへ行つた。●さすがに世界一を誇る音樂堂だけに大したもの。●ステージ・ショウが一時間ほどあつたが、その調和、落着いた色の配合、その演技におどろくばかり。●また●寶塚を想わせる。●[illegible]「東京[illegible]」に行つた。●わたし達[illegible]本人お断りだとか、[illegible]白人客ばかりが[illegible]を使っていた。店主[illegible]は「戦前は日本人[illegible]お客[illegible]がもからだ、戦後[illegible]て教つて、お客さ[illegible]さは白人[illegible]」[illegible]ことだった。ニューヨーク[illegible]に六つの日本人食堂[illegible]きそうで、みんな[illegible]つこおいしかると聞き[illegible]思った。

いよいよニューヨーク市にさよならを告げ、午后十時半、グランド・セントラル・ステーションより一同元氣よく帰途につく。車中「よかつたね、本當によかつたね」と、語らいつつ[illegible]

[illegible]一日、[illegible]ユニオン[illegible]に到着[illegible]。

帰つてみるとトロントは小都會の貧弱さはよく分つたが、しかしニューヨークは見物する街で、住むにはトロントがへんといつもよいさうく思うのだつた。

今回の観光旅行は一生忘れられない懐しい思い出の一つになると思っている。

旅行に際して高齢者の人々が最後まで元氣で、みんなと行動を共にされたことは本當に頼もしくまた嬉しいことであった。この催しに努力された市協に謝意を表すると共に、終始、すべての面倒と世話をして下さつた福岡氏に心からお禮を申し上げ、また補佐役として盡力された神田氏はじめ、陰に陽にお世話下さった方々に謝意を表しながらこの拙い稿を終る。

一世でも許婚者呼寄せができる

子連れの寡婦は子供も同伴可能

本年三月以來、日系カナダ人が日本から許婚者を妻として呼寄せることが出來るようになったこと既報の如くであるが、この手續きに關しトロント＝オンタリオ市協移民問題委員會から、オタワ政府の移民省に問合せ中のところ今週返事を得た。それによると此の資格者はカナダ生れの二世ばかりでなく、恒久的在住者としてカナダに二ヵ年以上居住する者も、この手續きをすることが出來るし、許婚の婦人が寡婦で子供を持っている場合は子供らをも一緒に呼寄せることが出來ることが明らかとなった。許婚婦人呼寄せ手續きは次ぎの通り。

▲申請書は「アイエムエム五五」という書式で三通いる。これは各地の移民館から入手できる。（ニューカナデアンにも備えてある）これに呼寄人（夫）と被呼寄人（許婚者）の氏名その他を記入して、地方々々の移民館に提出する。

ボンドのこと

▲許婚婦人のカナダ入國條件を保證するために、呼寄人（夫）は申請と同時に一千弗のキャッシ・ボンドを移民館に積まねばならない。若し許婚婦人が寡婦で子供があり、その子供も同伴したい場合は十二才以下は五百弗、十二歳以上は一千弗のボンドを別に積まねばならない。ボンドを積むに必要な書式は移民館にある。

▲移民館が右の呼寄せ申請書を受理し、調査の上、滿足な結果が得られたら、東京のカナダ大使館旅券査證係に返送する。

▲呼寄せるべき許婚婦人が良い性格と健康の持主であること、健康診斷書やエックス・レイ寫眞を東京のカナダ大使館に提出したらそれを一應オタワに送って檢査することなどは、他の入國の場合と同樣である。

▲許婚婦人はカナダ大使館で査證手續きをする時に『呼寄人と結婚する爲にのみカナダに行くものであり、カナダ到着後三十日以内に正式に結婚する若しこの取りきめを履行し得なかった場合は送還されてもよい』という書類に署名することを求められる。

▲右の取りきめが實行されなかった場合、ボンドは沒收され、許婚婦人を送還する費用に充てられる。

平和外交に共鳴

岸首相、東南ア訪問より歸る

【東京時事通信】岸首相は東南アジア六カ國の訪問を終わって今週歸國したが、羽田空港で『歸國のあいさつ』を次のように述べた。

今回の東南アジア諸國訪問で各國首腦と腹臟のない意見の交換を行ったが、これにより相互の理解と親善を深めたと確信する。會談の結果は原水爆禁止問題も含め、日本が世界に明らかにしてきた平和外交に各首腦の強い共鳴を得、またこれら諸國との經濟關係をさらに緊密にすることも全面的贊同を得た。

今回の訪問で日本としては政治、經濟、文化のあらゆる分野でこれら諸國民と提携を密にし、アジアの平和確保のため努力することがいかに必要であるかを痛感したが、今后はこれら諸國民とともに相たずさえてより良き世界の建設にまい進する決意を新たにしたい。

潜艦（國籍不明）が出没す

カナダ艦隊司令官が警告

カナダ艦隊司令官ボーヴイ提督は今週ラジオ、テレビおよび新聞を通じて「ニューファンランド沖合に國籍不明の潜水艦が出没している事實があり、この潜艦の正体を見きわめることはカナダの國防上極めて重要なことであるから、民間人の協力を願いたい」と訴えた。

ボーロイ司令官によると、さいきんの正体不明の潜艦がカナダ大西洋岸沖をうろつき回っているとのことだが、英佛海峡をソ連の長距離潜艦が通過したとロンドン電は報じており、ソ連のものとみなされる潜艦が暗躍していることがうかがわれる。

喫煙は壽命縮める

喫煙とガンの關係について研究を續けてきた米國ガン協會はそれに關する大規模な調査研究結果を今週發表、喫煙者はそのため壽命を七年ないし八年縮めているとの結論に達した。

△喫煙者は壽命を縮めていることは確かであり、多く喫煙する者は禁煙者よりうんと早く死亡することも證據立てられた。年齢五十歳から七十歳の男性十八万八千（九州）の居住者を四年間にわたり調べたところ五七パーセントが喫煙者であった。

△調査對象の男たちのうち四年間に一万一千八百七十名が死亡、このうち七千三百十六名がシガレットを常にのんでいるもので、のんでいない者の死者は僅か千六百四十四名。

△エントツのように煙草をケムリにする組は壽命を七、八年短縮し、輕くのむ者は二、三年生命を短かくし、シガーをのむ者は一年半ぐらい壽命を損にするし、パイプ使用者はわずか二、三カ月だけ生命をちぢめるということである。

英人歸國へ

日共勢力伸びる

【東京發】警察廳は先月末全國警備課長會議を開き當面の治安問題を討議したが特に志田重男氏除名問題をめぐる日共黨内情勢につき次のような結論を出した。

一、志田除名は日共が志田分派に對する肅正の決意を示したもので、これによって黨内が混亂しないのは志田分派勢力が弱くなっていることを示すものである。

一、日共は主体制確立のため日本の現狀に適應した革命戰術を取る方向に向っている。この結果各國で明らかになったように日共勢力は次第に伸びてきている。

ジラード特技兵を林氏が辯護

【東京發】相馬ヶ原の米軍射撃練習場でタマ拾いをしていた一日本婦人を射殺したジラード二等下士官は日本側に引渡されて裁判されることになったが、ジラード特技兵は五十名のリスト中から選んだ日本のトップ犯罪辯護士林逸郎氏（六四）に辯護して貰うことになった。ジラード特技兵は裁判で有罪となれば最高二十年の入獄刑をうけることになる。

今月から日加間に直通

電信電話の開通式行わる

△──「ハロー、東京ですか」「こちらはトロントです」とカナダと日本の間に電信電話の直通が今月實現されることになり、その開通式に萩原大使が參列、東京とトロントを直接結ぶ電波に第一聲を乘せるはず。

△來る六月二十七日夜、ロイヤル・ヨーク・ホテルでカナダ公社オヴァシー・テレコミュニケーション・コーポレーションと日本の國際電信電話公社との間に「日加直接通話」がまとまり、從來の桑港經由がなくなって、これからは「ハロー、東京」と呼びかけが出來るようになるという。

△これを記念する式にニューヨークで岸首相と會っての歸任途上、トロントに立寄って萩原大使が參列し、日本側でも同時刻にグッ[illegible]カナダ大使らも出席して[illegible]ミュニケーションによる「日加間の緊密化」を慶祝するが、この催しには日白報道關係も招かれることになっている。

カナダ炭の輸入

日本がクロズネストに注目

【東京時事通信】日本製鐵業界では原料炭の長期輸入對策の一つとしてカナダ炭の輸入に着目、近くカナダを訪問する鐵鋼使節團を通じ現地事情を調べてもらう豫定で、ガス業界によるカナダ無煙炭輸入の動きとともに各方面から大きな關心が拂われている。現在製鐵界が取上げているカナダ炭はアルバータ州のクローズネスト・パス石炭會社が生産している原料炭である。商社筋によるとクローズネスト・パス石炭會社の年産は約百二十万トン（約百万トンは對ソ輸出）といわれ、日本が技術援助を約束すれば大々的に開發して積極的に輸出したい意向を示しているということである。

日本と國府

友好强化する

【台北時事通信】岸首相は今週蔣介石總統と會談したのち、同總統と要旨次のような聲明を發表した。

一、兩者は兩國の友好關係を一層固めることを誓う。

一、不安定な世界情勢にかんがみ、アジアの自由を確保するため、自由世界の團結を强化しなければならないことに兩者の意見が一致した。

一、兩者は國際問題に對處するに當って國連憲章の原則に從うことに意見一致し、兩國政府はこの原則を支持するに當り、國連と密接に協力する決意である。

一、兩國は兩國間のみならず自由アジアのその他の諸國とともに經濟、文化分野での協力を强化することに意見が一致した。

Her address on Thursday made a very deep impression on the delegates gathered from all provinces of Canada. Mrs. Watari will speak briefly both in English and Japanese on the subject, "The Church of the World-Wide Concern".

The Nisei Church Choir will sing "The King Glorious", and the service will be conducted by Dr. K. Shimizu. A hearty invitation is extended to all.

School Integration is Big Concern of Nisei

By MIKE MASAOKA
In the Pacific Citizen

WASHINGTON.—Th[illegible] ago on May 17, 1954, the Supreme Court of the United States handed down [illegible] decision [illegible] equality of treatment and consideration.

Today, though much has been done, three years after the historic decision, much more remains to be done. In several of the states in the heart of the Confederacy, there is still talk of abandoning public schools. Virginia is one of the leaders in the anti-segregation movement. Others are still trying to circumvent the Court's decision by various schemes, such as pupil assignment.

Three Southern States, however, have made timid and scattered efforts toward partial segregation. They are Texas, Arkansas, and Tennessee.

Because there are so few children of "Japanese" or "mixed" [illegible] schools are available [illegible] most informa[illegible]

[illegible] Oriental [illegible]

What has happened [illegible] Negro child[illegible] Chicago and the Japanese have been allowed to attend the white schools, [illegible] called. After the Supreme Court decision, however, in some [illegible] in order that it could not be charged that only Negro children were segregated, all white children were ordered to attend Negro schools. This has resulted in the parents of most white children sending their children to private schools, usually operated by some religious denomination where "Oriental" children are accepted as "whites."

What is happening in the Deep South to the children of "Japanese" or "mixed" couples is a grim reminder of what the parents of the 442nd Regimental [illegible] 1941.

[illegible] "Japanese" child[illegible] educational [illegible] color, creed, [illegible] JACL have a special concern to see to it that racial segregation in public schools in the South as well as elsewhere in the nation is eliminated immediately.

The older Nisei and our Issei parents can remember when segregation of "Japanese" pupils in California and other west coast states was not an uncommon practice. So, out of our own [illegible], we have a special concern in this matter of immediate racial integration in the public schools of our land.

'workworkwork—for TV!'

By KANGO KUNITSUGU
In Crossroads, Los Angeles

Among the many students from Japan are [illegible] are "sponsored" by relatives in this country.

One such a sponsor, obviously [illegible] The lively [illegible] regarding the [illegible] apparently crystalized a [illegible] indictment of "sponsored" students.

"My wife and I visited Japan for the [illegible]," the letter went. "Gratitude [illegible] young people there have no use nowadays [illegible] only their due to be able to come to America [illegible] niece even said so openly: 'I'm your [illegible] for you to send for me.'"

The gentleman then included a missile [illegible] niece as an example of "such a flagrant attitude."

"At first I was only astonished and amazed with everything when I arrived in America," wrote the niece. "But [illegible] understand life in America a little, and compare everything with life in Japan, I don't know whether it's good or bad . . .

"At any rate, what I was most ashamed [illegible] how ignorant we Japanese were about America. What I [illegible] after coming here mainly concerns those of Japanese ancestry living in America (how the 'hakujin' live is something as remote to my knowledge as though they were living behind another iron curtain).

"This is really their country. Their wealth is inherited, and people with money are all white. Japanese Americans are all laborers, and low types of laborers, too. Even if they are in business, it is a small lonely thing—among those of their own race.

"Life here is really like a desert. There is no tender family feeling. How shall I describe it . . . it's frightening and lonely for persons like me who grew up in a warm family system. I cannot easily accept this individualism.

"The Nisei can't speak Japanese at all. The parents were too harried with making a living to learn English; and though they work and slave for their children, what have they got after more than 40 years in America? They can't even communicate with their children!

"Morning noon and night it's work, work. There is no warm family festivals and celebrations that come every year with the change of seasons, as in Japan."

The young lady continued her penetrating observations by adding that for most Japanese Americans, life was circumscribed by work and whatever pleasures in life must be arrived at individually. There were no family or community events to make one feel a part of something bigger. Entertainment is strictly on an individual basis.

Aside from the difference in attitude about the student's status (the sponsors feeling that students should feel grateful to their sponsors and the student feeling that gratitude, demanded and to be paid for by listening to daily tales of how hard life was for immigrants early in the century, was too irritating and "square,") the letters are interesting for their scathing indictment of the life led by some of the Issei.

Certainly they worked long and hard and often heroically, the young lady from Japan acknowledges, but she quickly asks: "For what? To live to a lonely old age, still scrabbling for a living, excommunicated in fact from their offspring, still not a part of America but an alien existence, sitting down of an evening in front of a TV set whose entertainment is only dimly understood, while they rest their calloused hands and aching legs from their labor in "hakujin" kitchens, in "hakujin" gardens, in pitiful little businesses in the gray, hopeless part of town?"

I know from my own experience that the young lady's picture is unduly bleak and her censure too strict. There are many Issei lives that are triumphs, and not in the financial sense, either. The full story is yet to be told; certainly full justice has not been done to it yet.

But what the young lady's letter lacks in tact and in the mellow understanding which comes with more years of living than she can acknowledge as yet, it makes up in the pin prick she gives to our awareness of ourselves. **"Work, work, work, only to sit in front of a television set!" is an indictment that Nisei as well as Issei can ponder upon.**

Ethnic Groups Enrich Culture

ALAMEDA, Calif.—The value of ethnic groups to enrich American culture was pointed out by Harry J. Sapper, executive secretary of the Jewish Welfare Federation of Contra Costa and Alameda counties, at the second quarterly Northern California-Western Nevada JACL District Council session held here May 19.

Peoples of all cultures, he said, have much to contribute to a better world in this free environment of America. Replying to those who advocate the doing away of all racial groups, he noted that a generation ago the Jews in the United States went through the same phase.

"Now the Jews all over America are giving millions of dollars to preserve Jewish culture as their contribution to the ever-growing culture of the United States," he said.

Organizations such as the Japanese American Citizens League, he said, are necessary and can contribute much to the development of American culture.

HAVE MANY JC FRIENDS. . .

On receiving the letter sent to all local federal election candidates by the Toronto JCCA, calling attention to discriminatory regulations in the Immigration Act, Mr. R. A. Best, CCF Danforth Riding, called up to remind The New Canadian that he and Mr. Andrew Brewin, Q.C., CCF Davenport Riding, were two of the lawyers working for the Co-operative Committee on Japanese Canadians which aided the JCs during the Property Loss Question (1947-50). He added that both of them have many friends among the JCs and hope for their support.
